

TECHNICAL INFORMATION

Figure 1: Plan view of the test cell. The diagram shows a rectangular room layout with dimensions in mm (in parentheses). The room is 3675 mm wide and 3500 mm high. There are three power outlets labeled P1, P2, and P3. P1 is on the left wall, P2 is on the top wall, and P3 is on the bottom wall. The room contains a central rectangular area, a circular area on the right, and various furniture items like a desk, chair, and sofa. Dimensions are given for the room, the central area, and the furniture.
